## Volunteer Sign-Up Form

Thank you for expressing an interest in participating as a volunteer for this year's rebuilding efforts. Our program would not be a success if not for the hardworking, dedicated volunteers that turn-out each year to help brighten and improve the homes of our low-income, elderly and disabled neighbors. Please note that all volunteers must be at least 14 years of age. Also, all volunteers must sign a waiver form prior to volunteering. Volunteers under 18 years of age must also have a parent sign the waiver form.

I am interested in being a House Captain. I am in the building trade or am very skilled in home repair and would be willing to serve as a House Captain; I like the idea of being the foreman on the job site.

Instead of construction skills, I have "people" skills. I would like to serve as an ambassador and work with the homeowner to make life easier for them before, during and after project day.

I am interested in serving on the Board of Directors and/or a committee.
